Preface

A comprehensive overview of the process, guidelines, and safe reopening of The Tachi Palace Casino Resort. The following pages will provide detailed steps on how each phase will take place. This document will be updated through the course of changes due to the ever-changing climate of COVID-19.

17225 Jersey Avenue | Lemoore, California 93245

Phase I

In *Phase I* we will look at the casino operations and the steps that will be taken to continue to keep our associates and guests safe. We will also regulate entrance to those that are **21 years of age and up wearing mask**. The Resort has increased the gaming floor by 23,000 square footage and has arranged the slot machines to promote social distancing. The facility occupancy will be reduced to meet the social distancing regulation. Phase I of the reopening will operate at 60% occupancy.

Social Distancing throughout the property will be handled in the following ways:

- Social distancing reminders/signs will be displayed advising guests of our COVID compliance with social distancing on property.
 - Images attached at end of this plan
- Upon opening there will not be transportation services.
- Facilities will position floor markers outside of the Casino entrances. Exterior signs will be posted to remind our guests of social distancing conditions while on property. Interior floor markers will be situated through the venues that acquire lines. Floor markers styled as Game Chips will be placed on the floor to mark the safe distance to be in line for either Premiere Club, Cage, Food Outlets etc.
- Internal monitoring via **Inferred Cameras** – receipt end of May
 - Camera's will be placed at:
 - Moon Fountain Entrance
 - Sun Bus Entrance
 - Hotel Entrance
