If they do not respond within the five (5) minutes a new name will be drawn. Guests may also be drawn and announced to come up to the promotional area to claim their prize.

If the hot seat system goes down drawings may be delayed up to one (1) hour to correct the system error. If the drawing is delayed by more than one hour than a list of eligible patrons may be extracted from the player tracking system and a random number generator will be used to choose a winner.
