

\$110,000 TREASURE HUNT

Official Rules

Saturday, January 30th, 4pm – 10pm

Registration: January 30th from 2pm – 9:50pm

All Premiere Club Members are eligible

Every 100 base points earned on Premiere Club Cards awards a drawing entry.

Both Slots and Tables play is eligible to earn drawing entries.

Guests must check-in prior to the drawings by either checking in at the kiosk or putting drawing entries in the barrel. Once the drawings have started guests may also check in by earning a point on their Premiere Club card.

From 4pm to 9:30pm two (2) winners will be drawn every half hour to come up and select a prize from our promotional display to receive a cash prize.

At 10pm all of the winners from earlier in the night and two (2) additional winners will come up and select a key to try and open the treasure chest. The one with the winning key will win the grand prize of \$50,000 in cash. The remaining winners who do not have the correct key will all receive \$1,000 Tachi Cash consolation prize.

Once verified by two team members, the names of the winners will be confirmed, and the winners may be announced.

Winners will have five (5) minutes to get to the promotional area once their name appears on the screen.

We will continue to draw until we have the designated number of winners.

Must be present to win.

All Standard Promotional Rules posted at Premiere Club apply.

Cash prizes must be claimed at the cage by 11:59pm the day of the drawing.

If a guest is physically unable to participate in the promotion physically, they will be able to appoint someone of their choice, which is not a TPCR team member, to take their place in the promotion. The winner drawn will still be awarded the prize.

If the virtual drawing goes down for any of the drawings a delay of up to one (1) hour will be permitted to allow for system repair. Once the system is back up drawings will continue as scheduled but will be brought up to an hour over in the night to allow all winners to be drawn. If the virtual drawing system is unable to come back up for one of the drawings the drawings will be conducted via hot seat style drawings. If the drawing that is transferred to hot seat style is a weekly drawing the winner bonus drawing entries will be added into the barrel once the system is back up and running.
