Once confirmed at the promotion stage, guests will participate in the promotion on a first-come, first-served basis. If multiple guests arrive at the same time, they will play the game in the order their names are drawn.

Once verified by two team members, the winners’ names will be confirmed, and the winners may be announced or added to gaming floor screens.

We will continue to draw until we have the designated number of winners.

Must be present to win.

Guests must check in at the kiosk for extra entries every Wednesday in August and September before 10 pm.

All Standard Promotional Rules posted at Premiere Club apply.

Cash prizes must be claimed at the cage by 11:59 pm on the drawing day. Time exceptions may be made for guests (e.g., system malfunction/delay in Everi) on a case-by-case basis.

If a guest is physically unable to participate in the promotion, they can appoint someone of their choice, who is not a TPCR team member, to take their place. The winner drawn will still be awarded the prize.

Guests may be notified at their slot machine if they have won. A team member can go out to them, verify the win, escort them to the promotional area, or award them their prize at their seat. If the guest is confirmed as a winner, the time will be paused. If the winner is no longer at the current spot of play, time will resume. The winner will have five (5) minutes to come to the promotional area and claim their prize. If they do not respond within five (5) minutes, a new name will be drawn. Guests may also be drawn and announced to come up to the promotional area to claim their prize.

Tachi Cash will be valid on Premiere Club accounts for seven (7) days

Should a 1042-S be filed out for a prize won, 30% of the Cash prize will be held automatically. For a physical prize (i.e., car), the winner will be responsible for paying 30% of the value within ten (10) minutes after being confirmed a winner.
